| CRAFTED FUTURISM DESIGN LANGUAGE

Signifying NEXA's endeavour to create the cars of tomorrow, the All-New XL6 features NEXA's Crafted Futurism Design Language. A work of art inspired by the future, the design language is exclusively crafted to match the refined taste of the NEXA customers. The design philosophy manifests itself across three pillars:

NEXpression

A powerful expression that resonates in overall design. The All-New XL6 features signature design elements like the new bold Front Grille with Sweeping X-Bar Element, Quad Chamber LED Headlamps and an optional Dual-Tone body for a strong aesthetic appeal. The powerful stance is

NEXtech

remotely turn on the air conditioning. With a host of comfort enhancing features such as the Ventilated Seats, 360 View Camera and the new SmartPlay Pro Infotainment System, the All-New XL6 caters to the modern buyer's every need and ensures every drive is cocooned in comfort.

• NEXperience

Exclusive NEXperiences that are at par with global for the ever-evolving NEXA customers.

9312_S_XL-6 Brochure_11.75x8.25 PG_4

| A POWERFUL STATEMENT

Capture everyone's attention with an imposing Front Fascia and a sculpted profile that gives the All-New XL6 a dominating stance. Also available in a Dual-Tone Body Colour option for a strong aesthetic appeal, the All-New XL6 turns up the style quotient. Go for a drive and make your presence felt even from a distance with the All-New XL6.

Featuring a distinct new Front Chrome Grille with a Sweeping X-Bar that flows smoothly into the Quad Chamber LED Headlamps as LED DRLs, the All-New XL6 makes its presence felt. The distinct hood is complemented by aggressive shoulder lines that firmly highlight its body contours and seamlessly flow into the Smoke Grey LED Tail Lamps, carrying the powerful design from the front to the rear. Sporty Roof Rails, a Back Door Spoiler and the new Shark Fin Antenna radiate an unmistakable sense of style while the striking Dual-Tone Machined-Finish R16 Alloy Wheels evoke a sense of stability whenever you take it out for a spin.

| DESIGNED FOR YOUR COMFORT

Impressive design meets indulgent interiors in the All-New XL6. The Front Door Courtesy Lamps create a welcoming environment from the moment you open the door, while the warm footwell lighting adds to the relaxed ambience. The sculpted Instrument Panel in premium Stone Finish accentuated by rich Silver Accents, perforated leatherette upholstery and soft touch elements lend the cabin a highly exclusive ambience.

The Ventilated Seats in the front row keep you comfortable no matter what the temperature is outside while the second row Captain Seats provide for optimum relaxation when you just want to sit back and unwind. The third row seats ensure that you never run out of space and can even be folded flat for additional boot space. No matter which seat you choose, the All-New XL6 allows you to relax, lean back and unwind as the landscapes pass by.

Keeping comfort in mind, the All-New XL6 comes with Automatic Climate Control that adjusts the cabin's temperature and lets you feel indulged in its truest sense while thoughtful elements such as the IR Cut Front Windshield and Dark Green UV Cut Glass keep you cool and protected from the heat and harmful UV rays.

6-SPEED AUTOMATIC

| EXPERIENCE THE JOY OF DRIVING

Experience indulgence at its full potential with the All-New XL6. It comes with the Next Generation K-Series 1.5L Dual Jet Dual VVT Petrol Engine with Progressive Smart Hybrid Technology that delivers a refined driving experience.

Choose between the proven 5-Speed Manual Transmission or the new 6-Speed Automatic Transmission that provides a smooth drive and comes with steering mounted Paddle Shifters for an engaging drive experience.

The All-New XL6 is also available with factory fitted S-CNG in Zeta variant. It is equipped with dual inter-dependent Electronic Control Units (ECU) and an intelligent injection system to provide an air-fuel ratio that ensures optimum performance and a superior fuel efficiency, making it one of the eco-friendly mobility solutions with lower carbon emissions. S-CNG continues to deliver safety along with durability.

Image is only for illustration purposes. S-CNG Zeta variant has one fire extinguisher below co-driver seat for safety purposes.

For details on the functioning of airbag and other safety feature kindly refer to owner's manual of vehicle.

| NEXA SAFETY SHIELD

The All-New XL6 indulges you with care when it comes to your safety. It is built on Suzuki's renowned HEARTECT platform with extensive usage of high tensile Steel for effective absorption and dispersion of crash energy.

It comes with a host of standard safety features such as 4 Airbags (Dual Front & Dual Front Seat Side) for your enhanced protection and with ESP and Hill Hold Assist. The Hill Hold Assist automatically activates while driving uphill and prevents your car from rolling backwards momentarily on an inclined slope while the ESP helps in improved vehicle control and stability.

In addition, the All-New XL6 has ISOFIX Child Seat Mounts, Speed Alert System, Driver and Co-driver Seat Belt Reminder, Rear Parking Sensors and many more features dedicated to your safety and comfort when on the move. 9312_S_XL-6 Brochure_11.75x8.25 PG_14
